

Because teaching kids good hand hygiene should be child's play!

Ella's Hand Washing Adventure

Encourages healthy handwashing habits and provides parents and teachers with tools to educate children about how and when to wash their hands.

Early Years

Teaching good hygiene can be a challenge in nurseries, but it is critical in helping reduce the spread of colds, flu and other viruses such as the novel coronavirus that causes COVID-19. So we've developed the Ella's Hand Washing School package by Tork, which includes a free app, hygiene brochures, teaching materials, as well as activities to help make hand-washing more fun, and even easier to teach and learn.

Ella's Hand Washing app and storybook by Tork have been fact checked by the Centres for Disease Control and Prevention (CDC) for added peace of mind.

Primary and secondary school

Primary and secondary school children share classrooms, playgrounds, washrooms and often germs. It can be challenging to get students to wash their hands properly and prevent diseases like COVID-19 from spreading. Max's Hand Washing School by Tork is an easy way to encourage children to wash and dry their hands properly. They'll perform hand hygiene experiments, solve problems and learn helpful tricks.

Below you'll find a student workbook and teacher's manual for your lessons about hand hygiene. Use the activities as lessons or homework. The posters can be hung up around classrooms, in washrooms or outside cafeterias. Reward your students with a diploma when they've mastered hand-washing skills!
