

Your sustainable washroom solution

At Kimberly-Clark, everything we do is connected to our vision to lead the world in essentials for a better life.

Many **Scott®** products have **FSC** or **Ecolabel certification**, highlighting our commitment to responsible fibre sourcing and to reducing the environmental impact of our manufacturing processes.

Did you know that by choosing our **Scott® Rolled Hand Towel** with compression technology you can save up to 18% in storage and transportation, and achieve up to 23% more hand dries per roll than any other hand towel in the market.

More towels per truck so fewer trucks on the road

Scott® Rolled Hand Towels with Airflex™ Technology

- Bulkier, absorbent & stronger
- Airflex™ Technology uses up to 17% less fibre but still delivers highly absorbent towels
- Reduced raw materials
- Fewer towels used
- Reduced waste
