No bucket required

Machine washable

An innovative spray and microfibre flat mop system with antibacterial or disposable flat mop options.

The CleanWorks **ProClean** flat mop system features a removable bottle and spray trigger, which delivers a fine mist of solution directly to the cleaning surface, helping you to clean and dry floors quickly. The mop's break-frame head also has a built-in release system to avoid user contact with the soiled mop.

The starter kit comes with a nano silver, antimicrobial microfibre mop (colour coded blue) to prevent bacterial growth, also compatible with disposable 'Mi-mop' mop heads which are ideal in hygiene-critical areas such as restaurants where there is no access to laundry facilities.

KEY FEATURES & BENEFITS

- Microfibre mops attract and hold dirt for effective cleaning without the need for chemicals.
- Lightweight and no need for buckets so great for spot cleaning.
- Nano silver treated fibres for long-lasting antibacterial effectiveness.
- Can be used wet for tougher cleaning or dry for drying or dusting.
- Removable water bottle means no buckets are required making cleaning easier and saving time.

Nano silver antibacterial technology
