

# Suma Café Powder

Espresso and coffee machine cleaning powder

C2.1

## Description

Phosphate free coffee machine cleaning powder for daily cleaning of a broad range of traditional espresso machines. Use for back flushing traditional espresso machines, soaking coffee and espresso machine parts, and cleaning coffee brewers.

## Benefits

- Concentrated formula eliminates coffee residue in group heads and valves with a balance of foam and solubility for optimal rinsing.
- Ingredients are phosphate free, odorless and biodegradable: jar is fully recyclable.

## Use instructions

### Commercial espresso machines

#### Back flush (each group head)

1. Insert blind filter and add up to 1/2 teaspoon (3g) of **Suma Café Powder**. Insert portafilter into group head.
2. Activate brew cycle for 10 seconds. Stop 10 seconds. Repeat 5 times.
3. Remove portafilter, rinse blind filter and reinsert. Repeat step (2) without **Suma Café Powder** to rinse.
4. Make and discard a shot of espresso to ensure no residue remains.

#### Soak

1. Soak filters and metal portion of portafilter (do not submerge plastic handle) for 30 minutes in 1 teaspoon (6 g) of **Suma Café Powder** per 1 liter of hot water.
2. Rinse with potable water.

### Coffee brewers

1. Empty coffee from equipment and sprinkle 1/2 teaspoon (3g) of **Suma Café Powder** per 2 liters of brewer capacity directly into brew basket.
2. Run a full brew cycle into vessel. Hold for 30 minutes.
3. Rinse with clean hot water.

**Tip:** Wet cloth with a **Suma Café Powder** solution and wipe spray heads, then wipe clean with water. Caution: Spray heads may be very hot.

# Suma Café Powder

## Technical data

Appearance:	white powder
pH value (10g/L):	10.4 – 11.0

These figures are typical values and should not be interpreted as specifications.

## Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet. Store in original container. Avoid extreme temperatures and exposure to sunlight.

## Product compatibility

Under recommended conditions of use, **Suma Café Powder** is suitable for use on stainless steel materials commonly encountered in the kitchen. Do not use on aluminum.

## Certifications

This product carries Kosher, Halal and NSF certifications.
