

Suma Café AutoTab 2.0g x 16mm

Espresso machine cleaning tablets

C1.2

Description

Coffee machine cleaning tablet for daily cleaning of a broad range of traditional and fully automatic espresso machines. Formulated for powerful cleaning and easy rinsing, this product can be used for cleaning of traditional espresso machines, fully automatic machines, and soaking coffee and espresso machine parts.

Approved for use with Franke equipment.

Benefits

- Formulated for controlled solubility, powerful cleaning and easy rinsing.
- Sized and designed for the delivery chambers of a broad range of fully automatic espresso machines and other coffee equipment.

Use instructions

Fully automatic espresso machines

Follow machine manufacturer's "Maintenance and Cleaning" instructions.

1. Intended for daily use.
2. Insert one Suma Café AutoTab C1.2 tablet in machine opening and follow manufacturer's "Maintenance and Cleaning" instructions.

Traditional espresso machines:

Back flush (each group head)

1. Insert blind filter and add 1 tablet per group head. Replace portafilter in group.
2. Activate brew cycle for 10 seconds. Stop 10 seconds. Repeat 5 times.
3. Remove porta-filter, rinse blind filter, reinsert. Repeat step (2) without Suma Café AutoTab C1.2 tablet to rinse.
4. Make and discard a shot of espresso to ensure no residue remain.

Portafilter soak:

1. Soak filters and metal of portafilter for 30 minutes in 2 tablets per 1 liter of hot water.
2. Rinse with potable water.

Coffee brewers:

1. Empty coffee from equipment and add 4 Suma Café AutoTab C1.2 tablets per 2 liters of brewer capacity directly into brew basket.
2. Run a full brew cycle into vessel. Hold for 30 minutes.
3. Rinse with clean hot water.
