White 2Ply Z-Fold Hand Towel

PR6300

A luxury white 2ply interleaved Z-fold hand towel. Towels are embossed and laminated to maximise absorbency whilst remaining soft and strong, even when wet. Made in the UK with quality pure pulp fibres, this product is perfectly suited for hand drying in any washroom environment whether it is front and back of house.

- Hand towels are supplied in stacked format and allows for easy refilling of the hand towel dispensing system.
- Towels are interleaved, meaning that they dispense one sheet at a time, so users only touch unused towels, making them a hygienic option for hand drying, whilst also limiting wastage.
- Each sheet measures 215mm x 240mm and supplied in 15 sleeves of 198 sheets (2,970 towels).
- Soft and strong embossed luxury hand towel made using quality pure pulp fibres and is FSC Certified.
- Manufactured in the UK, according to CHSA Soft Tissue Standard.
- Cardboard box and paper sleeve are both widely recycled.

This product is manufactured according to CHSA Soft Tissue Standard. Please note PRISTINE reserves the right to alter specifications without notice.
