White 2Ply V-Fold Hand Towel

PR6400

A premium 2 ply interleaved v-fold hand towel. Soft and absorbent, these towels are ideal for almost any washroom environment and volume of traffic. Made with quality pure pulp fibres this product is perfectly suited for hand drying both front and back of house.

- Hand towels are supplied in stacked format and allows for easy refilling of the hand towel dispensing system.
- Towels are interleaved, meaning that they dispense one sheet at a time, so users only touch unused towels, making them a hygienic option for hand drying, whilst also limiting wastage.
- Towels are self presenting, reducing risk of cross contamination.
- Soft and absorbent premium hand towel made using quality pure pulp fibres and is FSC Certified.
- Each sheet measures 210mm x 210mm and supplied in 15 sleeves of 267 sheets (4,000 towels).
- Manufactured in Europe, with CHSA accreditation.
- Cardboard box and paper sleeve are both widely recycled.

This product is manufactured according to CHSA Soft Tissue Standard. Please note PRISTINE reserves the right to alter specifications without notice.
